

Fully vaccinated illegal immigrants who will voluntarily depart Korea will be exempted for penalty and entry restriction will be suspended.

□ Subject

◦ Illegal immigrants who are/will be fully vaccinated in Korea until December 31st, 2021 and if they voluntarily depart Korea.

* Immigrants who have criminal offence, violate quarantine rules and regulations, etc. or have been taken over from the police station and so on are excluded.

□ Contents

◦ Vaccination

- Fully vaccinated of 1st dose (ex: Janssen) or 2nd dose (ex: Pfizer, Moderna, AstraZeneca and so on).

* Including illegal immigrants who are fully vaccinated before the implementation date (Oct. 12th, '21).

- Incentives will be granted for voluntary immigrants even if 14 days have not passed since the completion of vaccination.

* Proof of Document: Vaccination Certificate (Coov electric certificate or paper certificate)

◦ **Incentive:** *Exemption of penalty and entry restriction will be suspended in case of departing Korea.*

◦ **Implementation Date:** Oct. 12th, '21 (Tuesday) ~ until the designated separate date (Temporary Implementation)

* Depending on the situation of COVID-19, a designated separate date for the end of implementation will be announced.

□ Precautions

◦ Maybe differ in accordance with the existing 「**Prior Notice System for Voluntary Departure**」.

- After voluntarily reporting one's self in person at Korea immigration Center or reporting itself through online.

- You can only receive the **exemption of penalty and entry restriction suspension** through the **airport if you depart Korea the same day.**
