

We are informing you about Foreigners Vaccination of the Covid-19 Vaccine

Vaccination is the most important means of preventing severe illness and death. Please participate in vaccination for your own health and your family.

Vaccination Recipient

- ① Children (Ages 5-11 y/o) :
1st and 2nd dose
 - ② Adolescents (Ages 12-17 y/o) : 1st to 3rd
dose
 - ③ Adult (Ages 18 y/o and above) : 1st to 4th dose*
- * The 4th dose is for those who have completed the 3rd vaccination aged 50 y/o above or 18 y.o above, those with underlying diseases, with weak immunity, who are hospitalized, admitted to, or those workers at a facility vulnerable to infection.

Vaccination Interval

- ① 1st and 2nd Dose
 - Pediatric Pfizer, Pfizer, Moderna
8weeks
 - Novavax 3weeks
- ② 3rd Dose: 3 mos. after the 2nd dose
 - * Janssen is given 2 mos. after the
1st dose
- ③ 4th Dose : 4mos. after the 3rd dose
 - * Janssen is given 4 mos. after the
2nd dose

Types of Vaccine

- ① Ages 5~11 y/o : Pediatric Pfizer
 - ② Ages 12~17 y/o : Pfizer
 - ③ Ages 18 y/o and above : Pfizer, Moderna*,
Janssen**, Novavax
- * Moderna is recommended for ages 30 y/o and above
- ** Janssen vaccine can only be administered in special cases

Vaccination Method

- ① Registered Foreigners : online, phone reservations, and same-day inoculations
- ② Unregistered Foreigners: after the issuance of a temporary management number at the public health center, make a reservation by phone or visit a vaccination medical institution
- ③ Foreigners who have completed basic vaccinations overseas : reservation after registering their overseas vaccination history at the public health center

※ Other Guidelines

- In the case of children and adolescents, it is necessary to be accompanied by a guardian or legal representative for safety and monitoring of vaccination.
- Online reservation site: <https://ncvr.kdca.go.kr>
- Phone reservation: KCDC call center (☎1339) or local government call center reservation
- Same-day inoculation: After registering on the medical institution preliminary list (confirmation by phone), vaccination on the same day.
